Doosan collaborative  
robots, scan the QR code

Prime  
P-SERIES

Leading innovation in palletizing application,  
P-SERIES!  
With a payload of 30kg and a working radius  
of 2,030mm it surpasses existing limits with  
top-notch specifications

High-power  
H-SERIES

The H-SERIES is the most powerful  
collaborative robot on the market!  
Its incredible payload of 25 kg and  
6-axis torque sensor, along with its  
high performance from low electrical power,  
enable sophisticated and safe work

Masterpiece  
M-SERIES

M-SERIES is the highest quality  
premium cobot! 6 high-tech torque sensors  
provide the highest dexterity for highly  
sophisticated tasks and ensure the upmost  
safety with the highest collision sensitivity

Agile  
A-SERIES

A-SERIES can go anywhere!  
With its superior speed and cost-effectiveness,  
A-SERIES promises a simple solution and  
a satisfaction to whom may be  
hesitant to get a cobot

Edge  
E-SERIES

E-SERIES is the most optimal cobot in  
Food & Beverage industry  
This unmatched NSF Food zone and  
IP66 rating accredited cobot is highly  
adaptable in any spaces and  
ready to increase the productivity
